Muhammad Arslan

+92.332.4143220 arslananwar1994@gmail.com Architect Society, Lahore, Pakistan

Summary

Have built custom systems for small and large companies.
I am offering a combination of Creativity and Technology.
I have worked on a variety of projects, both as a team member
and team lead. At this stage of the career I have handled projects that can be considered as complex. I am confident of
delivering projects on time and meeting the quality criteria.
